WHO WE ARE?

PICM is a company specialized in providing technical and engineering solutions in the field of metalwork, aluminum, and caravans. Since our establishment, we have been committed to providing high-quality products and services that meet the needs of building and construction projects, while ensuring standards of precision and durability.

Our expertise is visible in a wide range of world-class projects that include residential, industrial, commercial and institutional buildings.

With a highly skilled workforce and stringent quality management standards, we have built our reputation on delivering the best products and services within the assigned budget and time frame.

Our strength lies in assessing our clients requirements and providing solutions that offer functionality with value while adhering to international standards and policies.

Our growing portfolio is a testimony to our professionalism, commitment and reliability, reflecting the company's steady growth in the industry.

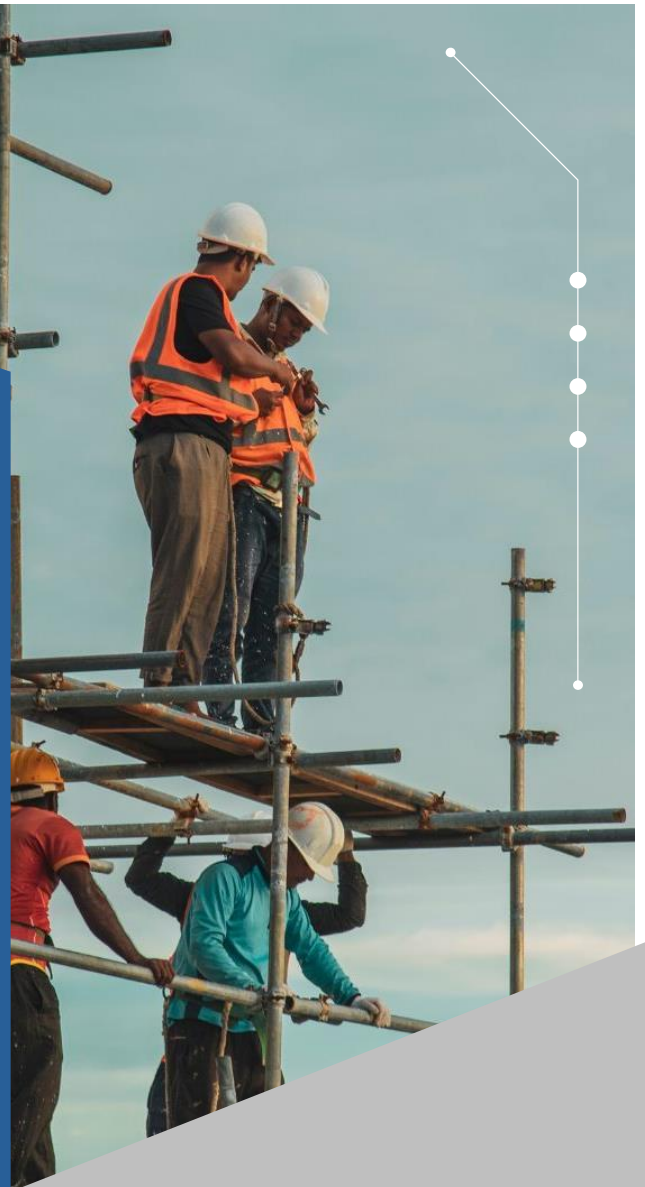

Our Values:

- **Quality:** We provide durable and efficient products to ensure their longevity.
- **Professionalism:** We ensure that projects are executed accurately and to the highest standards.
- **Innovation:** We are always looking for new solutions that meet the needs of our customers.
- **Customer Satisfaction:** We put our customers at the forefront of our priorities and work to achieve the highest level of service.

ABOUT US

Quality and Innovation in Every Detail

PICM was established to be a trusted partner in delivering specialized technical and engineering solutions in metal works, aluminum systems, and caravan manufacturing. We are committed to providing high-quality products and services that blend innovation with precision to meet the diverse needs of construction projects. Our team consists of skilled engineers and technicians who work together to ensure every project is executed with the highest level of efficiency and professionalism.

Our Vision

PICM aims to be a leading mark in the fields of metalwork, awnings and caravans, through innovation, quality and commitment to the highest standards of safety and reliability.

Our Objectives

P.I.C.M technical services is committed to employ only professional and well-educated experts in their fields. All team members are qualified, respectful, reliable and trustable. We are covering all specialties of our business. Our team is flexible, dedicated and service oriented.
